A Step Beyond

Each August as we return to school, the years seem to go by as quickly as the steps within our lives. It is a continuous cycle. We run up the steps together, anticipating how much longer we have left before we hit the top. As we journey upward, the steps get further apart from one another, and we are left using all of our might to continue. Still, we don't quit. As the Class of 2000 throws up their caps this spring, they take a step into the unknown, and when the clock strikes midnight on December 31st, we will be stepping into the next millenium. This is why the theme of the 2000 Marsengold is **A STEP BEYOND.**

Student Life

When we walk into Sharon High School, we have no idea what is in store for us or that Senior year will sneak up as fast as it does. It is a wild ride getting there, but every moment is worth it. We stay up all night perfecting Halloween costumes, cheer our hearts out at basketball games, build homecoming floats, and let loose at dances. We will never forget the semi-formal or proms. From sports, to friends, to clubs, to teachers, we grow up at Sharon High. After four long years we make it! Congratulations Class of 2000!

Junior Prom

Follow the yellow brick road and you'll usually end up in the magical land of Oz. But on the evening of April 12, 1999, the yellow brick road took a surprising turn. If you had followed it that night, you would have found yourself in the Sharon High School gym (although you never would have known it!). When the Class of 2000 stepped inside that evening, we were whisked away to a place filled with munchkins and lollipop kids and little dogs named Toto. As the music started playing, our worries seemed to drift off. All of us had a blast dancing the night away and partying with our friends. It was a truly spectacular evening, filled with magic and memories, one that we will never forget. The class would like to give a special thank you to Nadine Ostroff for all of her time and creativity, which helped make our prom possible.

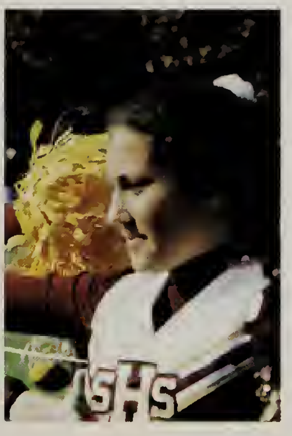
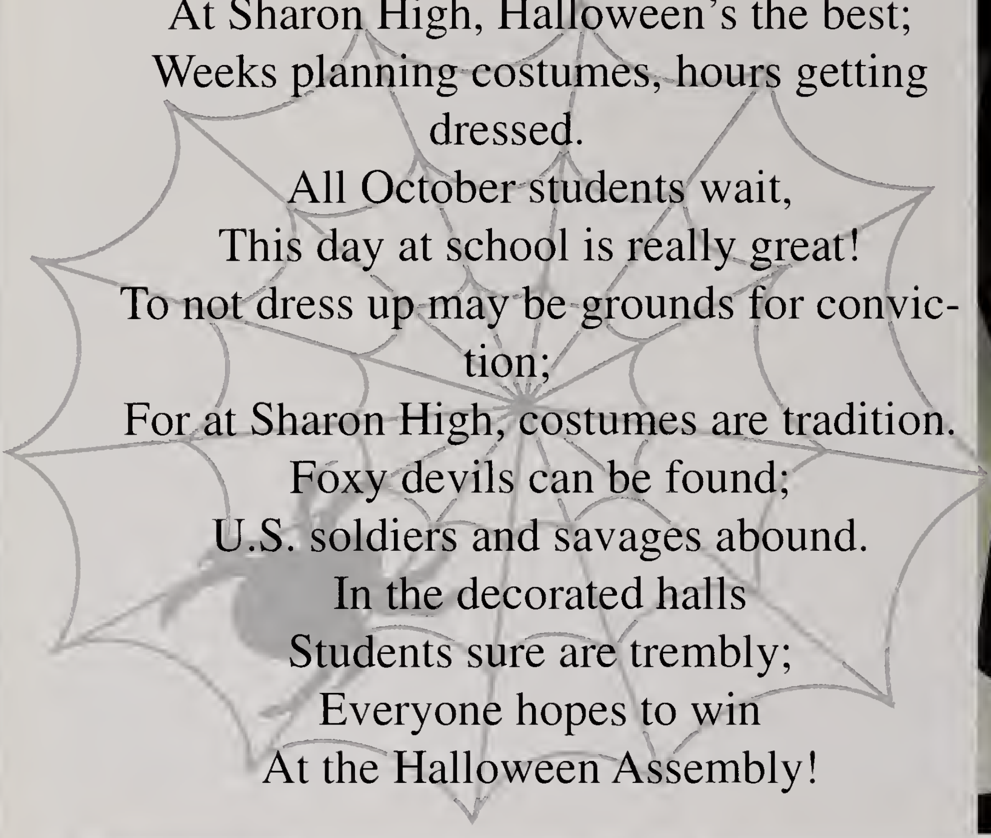
Homecoming

Homecoming festivities were, as usual, a huge success. Blessed by beautiful and somewhat warm weather, the turnout was tremendous and the school spirit overwhelming. The senior class elected Rachel Ostroff as their queen and Scott Freedman as their king. All members of the court showed great enthusiasm and excitement throughout all of the Homecoming festivities. The junior king and queen were Christos Photopolous and Janessa Berger. Justin Cohen and Jackie Hartwell were chosen to represent the sophomore class. Freshman Jason Oifer and Hillary Conroy were the king and queen selected by their grade. In the float competition, the seniors captured the prize for Best Overall, while the juniors won for Most Creative Float. It was a fabulous day for players, fans, and students alike. During the day, excitement and enthusiam was continuously generated throughout the crowd. The spirit of Homecoming will never fade.



Halloween



At Sharon High, Halloween's the best;
Weeks planning costumes, hours getting dressed.
All October students wait,
This day at school is really great!
To not dress up may be grounds for conviction;
For at Sharon High, costumes are tradition.
Foxy devils can be found;
U.S. soldiers and savages abound.
In the decorated halls
Students sure are trembly;
Everyone hopes to win
At the Halloween Assembly!

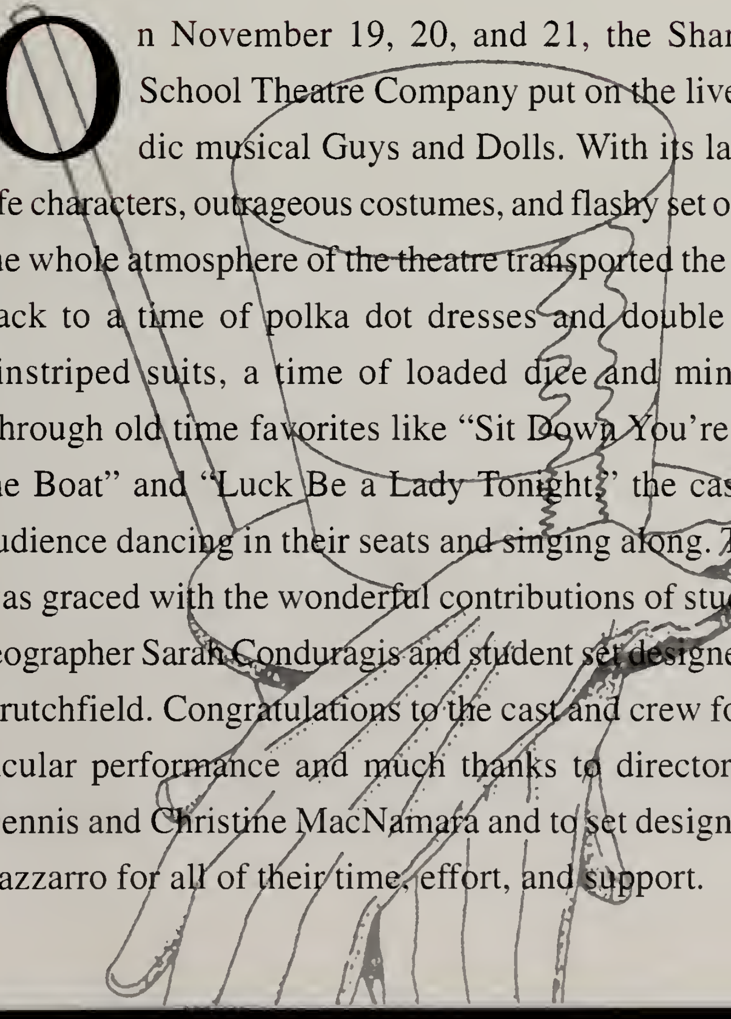
Play



On November 19, 20, and 21, the Sharon High School Theatre Company put on the lively, comedic musical Guys and Dolls. With its larger than life characters, outrageous costumes, and flashy set on wheels, the whole atmosphere of the theatre transported the audience back to a time of polka dot dresses and double breasted pinstriped suits, a time of loaded dice and mink stoles. Through old time favorites like "Sit Down You're Rocking the Boat" and "Luck Be a Lady Tonight," the cast got the audience dancing in their seats and singing along. The show was graced with the wonderful contributions of student choreographer Sarah Conduragis and student set designer Allison Crutchfield. Congratulations to the cast and crew for a spectacular performance and much thanks to directors Sandra Dennis and Christine MacNamara and to set designer Janine Lazzarro for all of their time, effort, and support.

Community Service

Community Service is an enormous part of student life at Sharon High School. The majority of students partake in some form of community service at least once during their high school career. This highly developed program offers a wide variety of activities which cover all areas of student interest. The teachers and organizers work hard to make all experiences enjoyable and rewarding. Students are forever busy, eagerly working to serve their community and the world around them. Throughout the year, many students work as elementary or peer tutors. Each year, on Halloween, a food drive to benefit the Stoughton Food Pantry is organized. Halloween for the Hungry has become an annual tradition here at SHS. City Year is another popular event in which students join with other youth groups in the area to help clean up Boston. Last year, SHS was honored by the MA Department of Education for being named a National Service-Leraning Leader School. This award is given to schools which combine academics with community service. SHS was one of four schools in MA and one of only 70 schools nationwide to receive this award. Even with hectic schedules, SHS students find time to service the world around them. Keep up the good work everyone!

SHARO

The time has come to begin our good-byes.
We think back on our memories with tears in our eyes,
Our four years of high school have gone by so fast,
As dreams of tomorrow turn to thoughts of the past.
We've all walked together as classmates and friends,
But finally our journey is nearing its end.
As we step as one into the millenium,
We think back upon how far we have come.
Challenges, obstacles, and times of distress,
We've conquered them all with unequaled success.
The Class of 2000 is an inspiration to all.
"Together we stand; united we fall."

Seniors

Leaving footprints behind us, we embark on our way,
Our future is a road that starts with today.
As you flip through these pages and think back for awhile,
Remember Sharon High School with a laugh and a smile.

Underclassmen

Coming to school, every day
Respects to seniors you must pay.
Where's the lunchroom, where's the caf?
The upperclassmen sit and laugh.
No privileges like the parking lot.
You think the senior guys are hot.
Bio. with Ms. Norton and English
with Mr. Murray.
You guys do your homework in a hurry.
Honors classes, not many AP yet
So Mr. Pane and Mr. Sullivan you have not met.
At the dances, you think you're cool.
But where's the rest of the school?
A good thing is you guys have spirit.
Seniors block their ears so they don't hear it.

Sports

This year, Sharon High School sports teams performed with style. The maroon and gold Eagles made their presence known in the ever-competitive Hockomock League, as they battled each game with fierce determination and a passion that was unequalled. Daily practice brought teams together and instilled a strong sense of unity. Posters from "secret psychers" were an inspiration, as they decorated the halls on game days. The night before a big game, teams could be found "doing dinner" to generate spirit. While winning was very important to every athlete at SHS, each one knew that the most important part was to relax and have fun.

That two to three hour time period between school and homework was a chance for students to forget (at least for the moment) all the stresses of daily life. For the seniors, this was their last chance to put on an Eagles' uniform and show what they were made of. The 2000 Eagles are proud to close the millenium on such a high note!

We Are The World

The Sharon High boys' tennis team had another outstanding season. The team was led by seniors David Soffer, Scott Bennet, Jason Snelgrove, and Aaron Bickoff. After posting a perfect 16-0 record (for the fifteenth straight season), Coach Holt proudly took these boys to the state tournament where they played hard and made it far in the competition. Congratulations on your success...we are so proud of Sharon tennis...keep it up!!

Glory Days

1999 was an outstanding year for the Sharon High girls' tennis team. With a perfect record of 16-0, the undefeated Eagles claimed their spot as Hockomock League Champions. Led by captains Lindsey Schantz, Debbie Silver, Leah Schneiderman, and Marisa Picheny, the girls entered the State Tournament with confidence. They made it to the second round of play before losing in a competitive match to Newton North. The team would like to thank Coach "Razzle Dazzle" Cronin for all of his help throughout the years, and we wish him the very best, as he retired this past spring.

Despite the loss of five varsity players to graduation, the future still shines brightly for the girls' tennis team, as they are expected to once again be a dominant force in the Hockomock League. Under the leadership of senior captains Erica "Zydog" Zidel, Andrea "Lech-ta" Lechter, Heather Penn, and Leah Zamkow, the girls are looking to defend their League title. The entire team welcomes Coach Banno who, after assisting Coach Cronin last year, will be taking over and keeping the team in top shape with countless pre-season sprints....M&M's anyone? The team is entering the 2000 season with high hopes and aspirtations, which, with such a talented group, are sure to come true. All in all, this year is promising to be one of the best years yet and the girls can't wait.

Heart and Soul

The 1999 season was a tough one for the Eagles. The Varsity Girls' team put up a fight in each game. They faced many difficulties on the field, yet without the direction of any senior captains, they managed to prevail. Throughout each practice and every game, the girls tried their hardest, played with their hearts, improved their skills, and pushed themselves to the limit. This years' prospects are looking extremely positive for the team, through the leadership of the returning seniors: Rebecca Arbit, Kimberly Orleck, Rachel Ostroff, Elana Schiffer, and Jean Wall. With the return of many skilled underclassman and with the new home field located at SHS, the team and Coach Regan, hope for a winning season. The Junior Varsity deserves recognition as well, as they put up a strong fight under the coaching of Mr. Therway. In numerous cases, they came extremely close to obtaining a win. As the season progressed, their playing and skills drastically improved.

Both teams are worthy of praise for their overwhelming enthusiasm and effort. It is necessary to thank both Coach Regan and Coach Therway for their outstanding dedication to coaching. Keep up the good work girls and good luck next year! Yeah Softball!!!

Taking Care of Business

This year's boys' baseball team was not only the last one of the twentieth century, but the greatest one as well, boasting an impressive record of 18 wins and 6 losses and a post season ranking of 12th in the state. In a heated contest, the team defeated King Philip with a game winning hit by Ben Shuffain, sending them to the Division II South Sectional Finals. Despite a great pitching performance by former senior Jason Egan, the team came up just short of victory in the final game against Dedham. Joe Milbury had a colassal season both on the mound and at the plate, compiling a record of 11-0 and batting over .400. The team would like to thank former captains Ben Shuffain and Mike Schindelar for their excellent play and leadership. Many of the players enjoyed great individual success, but this team was truly worth more than the sum of its parts.

This year, the team looks to be equally strong, led by senior captains Marc Shumsker, Ben Schlafman, and Mike Kurkjian, with Jack Holleran also contributing.

You Ain't Seen Nothin' Yet

The Girls' Lacrosse Club has had its share of wins and losses, but through it all the team has stuck together. It started just three years ago as a group of interested athletes, ready to learn the game of lacrosse. With the help of coach Leslie Colburn, the team sprung into competiton with surrounding towns and established a sport that will stay with Sharon High for years to come. The Lacrosse Club is excited to begin a fourth season with new coach Peg Arguimbau. This year's seniors wish the Lacrosse Club lots of luck in future years!

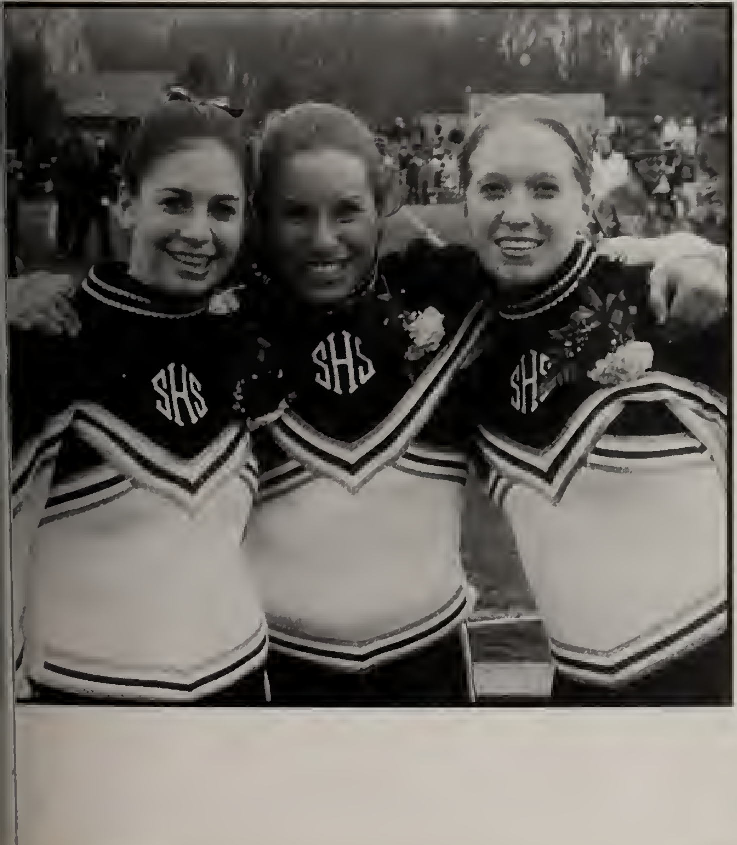
Twist and Shout

This year the cheerleading squad worked really hard to support the football and basketball teams. Led by senior captains Stacey Hatch, Carissa Mann, and Lauren Mirson, the squad really got the crowd involved. They went into each game with the optimistic attitude that they would cheer the Eagles to victory and victory came often for the Eagles. Even if the boys didn't pull off a win, the girls enjoyed cheering them on and everyone else enjoyed their enthusiasm and spirit. The remaining cheerleaders are looking forward to another great two seasons next year with lots of spirit and many more memories.



Giving You the Best That I Got

This year the golf team had a rough season. Losing three close meets to North Attleboro, King Philip, and Stoughton, the team was fairly satisfied with their 3-13 finish and hard work. Coach Cook along with captains Evan Burman, Tim Ellis and Eric Belsky kept spirits high. The team practiced two and a half hours a day, whenever the courses at either Sharon Country Club or Spring Valley were available. The team is looking forward to a great season next year.

Though not exemplified by their record, the Girls' Varsity Soccer Team had a phenomenal year. Led by captains Heather Penn and Courtney Trotta, as well as seniors Laura Freed, Alyssa Garber, and Kara Iverson, the team competed hard and earned the respect from each opponent in the always formidable Hockomock League. With strong contributions next year from Kelly Summerhayes, Stefani Bluestein, Nicole Colassi, Jenessa Berger, and Stephanie Shelton, the Varsity team should have great success. The seniors would like to thank Mrs. Locker and Mrs. Gassman for all the work and effort they put into the season and would like to wish the underclassman luck next season.

Fly Like an Eagle

Congratulations to the 1999 Boys' Soccer team! The Eagles finished their season proudly with an outstanding record of 9-2-5. While unable to repeat the success of making it to the state tournament in 1998, these boys accomplished many goals. The energy and enthusiasm that reflected off seniors Jon Ostroff, Noah Keimach, Robert Bamber, Brandon Lev, Adam Golub and Jarrett Ring, was taken in by the rest of the team. This spirit allowed for such a high level of competition against rival schools. Next year's varsity team is aware of the level to which they will have to push themselves in order to maintain such a good record. For all of their time, effort, energy, and belief in the team, these boys would like to thank Coach Alan Howie, Assistant Coach Barry Kaye, and Team Manager Alan Motenko.

Cheering fans, packed gymnasiums, even a shattered backboard here and there; without a doubt, the 1999-2000 season was an outstanding one for the Sharon High Boys' Basketball team! Clubs & Activities

Clubs and activities are a tremendous part of student life here at Sharon High. There's always so much going on that many people find themselves incredibly busy, juggling one activity after another and running from meeting to meeting. There are clubs to suit everyone's tastes, from drama to peer leaders, model congress to show choir. How could anyone ever be bored? If, in that rare occurence, students have an interest which no existing club can satisfy, they often take the liberty of starting a new one themselves. The students at Sharon High are motivated and determined, enthusiastic and energetic. Because of this, each club accomplishes amazing things and becomes a staple of life not just at SHS but in the community as well.

Likewise, activities also constitute a major part of the Sharon High character. What would we do without our Halloween Assembly, Homecoming festivities, or pre-Thanksgiving pep rally (which was incredible this year, as we had it out at the lake, accompanied by music, dancing, and a bonfire). City Year is always a popular event, as is Halloween for the Hungry and the Lakeside Ball. Whatever the activity may be, kids at Sharon High always find ways to help their community and also have a blast!

Faculty

The teachers at Sharon High are looked upon with high regard. They have devoted their lives to their students and to the joy of teaching. Day in and day out, they work hard to educate us, enrich us with knowledge, and make a lasting impact on our lives inside *and* outside of the classroom. Although we may not always show it, we, as students, thoroughly appreciate their diligence and effort. They help us set the standards from which we grow, learn, and lead our lives; they help to establish our future. The most remarkable thing about the faculty at Sharon High School is that many of the people are not only our teachers, but our friends as well. Ice cream with Mr. Murray, movies with Mr. Brande, the relationships that we form with our teachers help shape the people that we are becoming. So, for all of their dedication, enthusiasm, and love, we thank them.

Administration

A Message to the Class of 2000
from Thomas LaGrasta

It is my pleasure to congratulate you on graduating from Sharon High School on Monday, June 4, 2000. The Class of 2000 has distinguished itself in the classroom, in athletics, and student activities. You demonstrated maturity in the manner in which you resolved the issue of parking and set a positive example for the other classes. Your commitment to the principles of Community Service Learning was evident in the numerous projects you participated in during your four years at Sharon High School.

You are now part of the tradition of excellence that the Sharon Public Schools has among all school systems in Massachusetts. The Class of 2000 has contributed, greatly, to this reputation.

I will close with a quote, which I feel characterizes the Class of 2000.
“If better is possible, then good is not enough.
-anonymous

To the Class of 2000:

As you prepare to graduate from high school, I would like to take this opportunity to reflect on the accomplishments of your class and to wish you every success in the next phase of your lives.

Your class has a special place in the history of Sharon High School. You are the first class to graduate in the new century and the new millennium. The beginning of a new era is a time for hope, energy and positive change. These are elements that have characterized your class. Facing the future with optimism, you have worked hard to make your community and your world a better place. You are the young people who will lead others into a brighter tomorrow and you will do it with character, strength and spirit.

The administration and faculty are proud of you. We are confident that you will put what you learned during your time with us to good use. We will miss you and we hope that you will come back to visit. Remember that you always have a home at Sharon High School.

Sincerely,
Susan Dukess, Ed.D.

Dear Sarah,

If there were ever a time to dare,
to make a difference,
it is now.
Not for any grand cause, necessarily...
but for something that tugs at your heart
something that is your aspiration,
something that is your dream.

The start of something new
brings the hope of something great.
Anything is possible.
There is only one you.
And you will pass this way only once.
So do it in excellence!

The values, dedication and caring that you have
developed during the last 17 years will soon be
shared with some very lucky people when you
begin your college career. We are proud of
all your accomplishments but mostly,
WE ARE SO VERY PROUD OF YOU!

We love you, Mom, Dad, and Peter

A poem, from Grandma to me to you.

"That Faraway Look" by Lois Wyse

There are times
When I remove myself
From me
To take notes
On the structure of us.
I still like what I see,
And that is why
I can move back into me
With serenity.

So next time
You look at me
And wonder why
I gaze so intently
Be reminded, my child,
That absence
Confirms the presence
Of all I feel for you.

Adam,

You have always made us so very proud of you. May all your hopes and dreams come true. Congratulations, Class of 2000.

For the Class of 2000 –

Your presence is a present to the world.
You're unique and one of a kind.
Your life can be what you want it to be.
Take the days just one at a time.

Count your blessings, not your troubles.
You'll make it through whatever comes along.
Within you are so many answers.
Understand, have courage, be strong.

Don't put limits on yourself.
So many dreams are waiting to be realized.
Decisions are too important to leave to chance.
Reach for your peak, your goal and your prize.

Nothing wastes more energy than worrying.
The longer one carries a problem, the heavier it gets.
Don't take things too seriously.
Live a life of serenity, not a life of regrets.

Remember that a little love goes a long way.
Remember that a lot ... goes forever.
Remember that friendship is a wise investment.
Life's treasures are people ... together.

Realize that it's never too late.
Do ordinary things in an extraordinary way.
Have health, hope and happiness.
Take the time to wish upon a star.

And don't ever forget ...
For even a day ...
How very special you are.

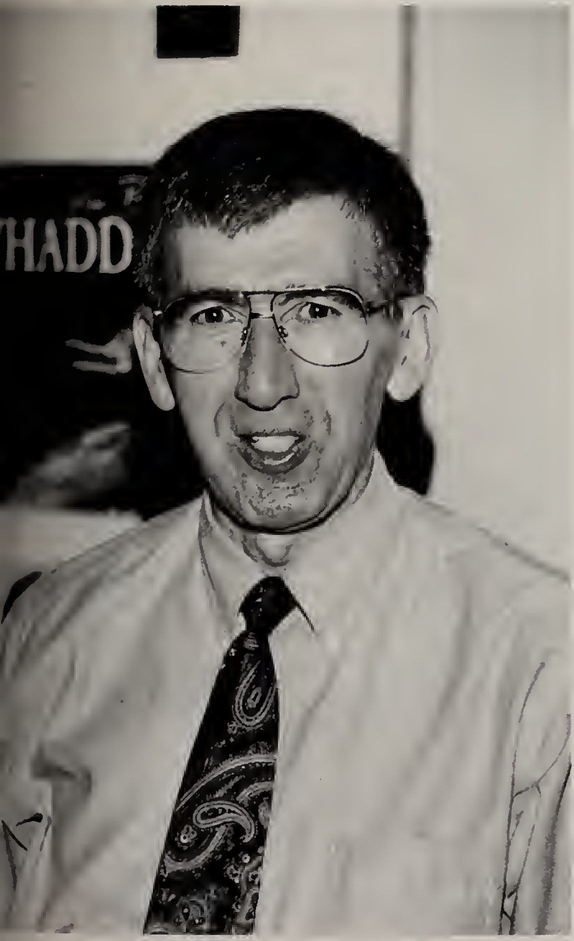
Mr. Collins

There comes a time
in ones life when he
lifts his head to find
he has been blessed
because he has
known you.

Throughout his years at Sharon High School, Mr. Collins has proven himself to be a sensitive man with a warm heart. It has been with these two gifts that he has successfully touched the lives of all his students. Hardly a day passes when one of his students doesn't comment on a story Mr. Collins has told that has made him see the world in a new light, in a new dimention, with a new slant. He engages the minds of those fortunate enough to be in his class, allows his students to explore new ideas, and makes ninety minute classes go by quickly, too quickly; his students can't get enough. Mr. Collins combines his skill of teaching with his warm personality resulting in a class eager to participate, to learn, to grow. With those he meets, he earns respect within seconds and inspires within minutes. An asset to the faculty, a blessing to the Sharon High community, and a gift to his students, Mr. Collins is worthy of praise; therefore, we offer him our deepest **APPRECIATION**.



Mr. Collins puts more than time and effort into his students. This man puts in heart and soul. His favorite saying when asked about his dedication to his students and the school is, "My blood is on these walls." For as much as he gives, he receives countless smiles in return that stay on his student's faces even after class. Putting students first in his mind, he is always accessible and eager to talk or listen. His patience and encouragement seem to have no end. He has earned the trust, love, and admiration of his students by being the sensitive, caring, and giving person that he naturally is. It is with extreme honor that we **DEDICATE** the 2000 Marsengold to Mr. John Collins.
